Inside Window Border

This area will not print, but is needed for production.
"Bleed" your artwork into this window opening.

5" x 7" Horizontal Custom Event Photo Folder Template

Item No. DF5800-75DS

Please add 1/8" bleed to all outside edges. This means if your artwork goes to the edge of the template, overlap it by 1/8" on all outside edges.

Do not flatten your artwork layer with the template layer!
Keep this file as a layered document, with our template on one layer & your art on consecutive layer(s).

When you are completed, call 1.800.827.0673 for instructions on how to send your artwork to us.
