Inside Window Border

"Bleed" your artwork into this
window opening. This area will not print,
but is needed for production.

Back of Window

"Bleed" your artwork into this
window opening. This area will not print,
but is needed for production.

**5" x 7" Vertical Custom Event
Photo Folder Template
Item No. DF5800-57DS**

Please add 1/8" bleed to all outside edges. This means if your artwork
goes to the edge of the template, overlap it by 1/8" on all outside edges.

Do not flatten your artwork layer with the template layer!
Keep this file as a layered document, with our template on one
layer & your art on consecutive layer(s).

When you are completed, call 1.800.827.0673 for instructions on how
to send your artwork to us.
